CHRISTMAS ON THE MALL -- Decked out in a garland of sparkling green in celebration of Christmas, is the Kiosk. Joining in the celebration are the light posts who are wearing red sparkling wreaths. Needing no added adornment are the Jacaranda trees, they wear twinkly lights the year around. The beauty of Christmas adds to the festive season on the mall.

## New High School For Upland

### \$25 Million HS Bond Issue 'Selling' Begins

ONTARIO - The first steps were taken Thursday night to organize a steering committee of citizens to push the \$25 million school bond election for the Chaffey Union High School which would include a new high school for Upland.

But Montclair representatives were unhappy because nothing was provided in the overall plan for a stadium for Montclair high school. Presently Montclair is using the Upland high stadium.

Less than 75 persons attended the meeting, although invitations had been issued to 250. One Upland citizen was concerned that the second Upland high school planned for the northern part of the district would become a "rich kids' school" without prior planning. He asked that the present Upland high school be enlarged instead of building a new one.

A board member explained that high schools in excess of 2,500 enrollment are considered undesirable.

In addition, the district proposed to ask for a tax rate election at the same time as the bond election--perhaps for \$2.41 said Paul Cushing, president. The

present rate of \$1.70 per \$100 assessed valuation expired July 1, 1970 leaving the district only 75 cents per \$100 assessed valuation it may legally claim.

The overall program for the \$25 million in bonds would include:

Listed in order of priority, the district proposes to spend the \$25 million as follows, if the bond issue, planned tentatively for April 15, is successful; payment of Chaffey College mortgage; purchase of a 40-acre site in Alta Loma-Cucamonga area; a second Upland high school; expansion of Alta Loma high school; expansion of the district trainable mentally retarded center; a continuation school; reworking Tower Hall at Chaffey high school; upgrading all classrooms at Chaffey high school; completing Ontario high school; expansion of the district administrative offices; a high school on the Vineyard street site; a second Alta Loma high school; and completion of the second Upland high school.

Persons wishing to form a steering committee to promote the bond issue were asked to call the school district superintendent.

## Planners Date Four Hearings

Four public hearings will be held by the planning commission at its meeting, Thurs., Dec. 26.

The commissioners will hear requests for zone change from R-3 (Multiple Family Residential, 7,500 sq. ft. minimum lot area) zone to CP (Commercial Professional) zone. This parcel is described as a 1/2 acre lot located on the west side of Mountain avenue between Arrow highway and 11th street.

--Zone change from A-1-2 (Agricultural poultry and rabbit district, 40,000 sq. ft. minimum lot area) zone. This parcel of land is described as 2.7 acres on the south side of Foothill boulevard, 1,900 ft. west of Mountain avenue.

--Zone change from R-3 (Multiple family residential district, 7,500 sq. ft. minimum lot area) zone. This parcel is described as 1 acre (6 lots) located at the southeast corner of Euclid avenue and Eighth street.

--CUP (Conditional Use Permit) to establish a Pizza Palace in a C-4 (Highway Commercial) zone west of the proposed Builders Emporium.

## City Receives Monies Saved By State Board

Chairman Richard Nevins said the State Board of Equalization today is refunding \$110,000 saved in its administrative costs of collecting the 1% local sales and use tax for cities and counties.

The total ranges from \$16,765 to the City of Los Angeles to 27 cents for Amador. Upland's refund was \$98,46.

The \$110,000 was distributed along with regular November payments to 400 cities and 58 counties.

"The Board now has 50 fewer employees than it had 10 years ago," Nevins said, "despite a larger number of programs, more accounts, and legislative changes."

The refund represents an administrative cost of \$1.23 for each \$100 of revenue returned to the cities and counties as their share of the sales and use tax.

## There Is Hope Today As There Was Before

CHRISTMAS MESSAGE - Rev. J. Sullivan, pastor of the First Church of the Nazarene, pauses at his desk with his Bible as he prepares his annual Christmas message.

### A Message For Christmas

A day was dawning on a battlefield in Northern France through a fog so thick that no one could see more than a few yards from the trenches. In the night the Germans had drawn back their lines a little and the French had gone forward, but between the two positions a lonely farmhouse was still standing. As the sun rose, heavy guns began to boom. But suddenly on both sides the firing ceased and there fell a strange, dead silence. There in the green meadow, crawling on its hands and knees, was a little baby. It appeared perfectly happy and contented, and the baby's laugh was heard as it clutched a dandelion. Not a shot was fired.

One other night long before World War I or II, another Baby entered into the conflict of every man, that of good and evil, and brought a silence of peace to the aching hearts.

"Out on the bare Judean hills, far from the scenes of mirth, The shepherd heard a midnight song that echoed 'round the earth. And straightway, challenged by the sound, they left their lonely place, And took the road to Bethlehem to seek the young Child's

face. They came, they saw, they understood and knew a strange release As stooping down, they knelt before the little Prince of Peace."

But even long before then, the ancient prophet stated, "unto us a child is born, unto a son is given and the government shall be upon his shoulder; and his name shall be called Wonderful, Counsellor, the Mighty God, the Everlasting Father, and Prince of Peace."

Certainly the word "wonderful" is most appropriate in describing the Christ of Christmas. He was wonderful in His birth. Only a Holy, loving God could identify himself with man in such a humble way. It was beyond description. Also, the wonder is seen in the lifting power of Christ as the poet has said:

In loving kindness Jesus came  
My soul in mercy to reclaim  
And from the depths of sin  
and shame  
Thro' grace He lifted me.  
Wonderful is the spirit of  
Christ, Greater still is the privilege  
of knowing Christ personally

## Pay Hike Approved For City Employees

An adjusted salary scale comparable to the current labor market was granted city employees by the city council Monday night on recommendation of the Budget and Finance Committee. The committee, composed of Councilmen Zella Stone, Max Hawkins, and James Christensen, met with Elwin Alder, city manager, Lee Travers, administrative assistant, and Bill Smith, representing city employees.

In his opening remarks, Alder, told the committee that in a recent League of California Cities seminar, several factors were brought out. (1) The labor market in cities is changing (2) Employers can no longer say what they'll pay, labor says what they'll work for. (3) If the political body does not have the money, a bond issue must be passed to provide the money. (4) A state law effective, Jan. 1, says employees are required to confer with employees on salary scales in good faith. The consensus of the seminar was noted as being complicated and far reaching.

Alder then told the committee that his staff had studied cities comparing in size to Upland, and had arrived at a median figure. The city has a five step scale. The middle step was used as a reference. In computing the salary scale some adjustments were necessary. In some instances no raises were needed in others the scale needed to be upgraded. The average upgrading was 4.2 percent. The city has \$115,000 payroll which is higher during the summer. The

adjusted scale will be paid for amount to \$29,500 for the remaining six months of the budget year.

Revenue will come from cigarette tax distribution based on a sales tax change, and the new population figures. The figure amounts to \$56,000 of which \$30,000 will be earmarked for salaries and \$26,000 left for other purposes.

No increase in taxes is expected from the adjusted salary scale.

## Council Delays Action On Euclid-7th Station

Objection to locating a service station at the corner of Euclid avenue and Seventh street was voiced by several people in a public hearing held Monday night by the city council.

Besides the people present a petition was received by the council voicing disapproval.

In addition the council received a letter from Ralph Miller who said he represented the client, Dwight Bert, and asking for a continuation of the hearing.

The council decided to postpone the matter until the last council meeting in March.

Frank Larson, 314 S. Laurel ave., one of the objectors present, said he was opposed to the station because Euclid avenue as you enter Upland is a beautiful street and if a service station were allowed then it would just be a matter of time before Euclid would be an avenue of service station, hamburger shops and small garages and the street would be ruined.

Another man said, "People oppose it. We have enough service stations now, let them have the business." Another spectator said the service station was not compatible with the master plan. He pointed out the Planning Commission was against it also.

In a previous meeting, the Planning Commission, unanimously turned down Bert's request for a zone change and conditional use permit which would have allowed the station.

The council referred the matter to the city attorney for study and action.

Awarded a bid for sanitary sewer relocation along San Bernardino Freeway to the L.D.

Pipeline, Inc. for the amount of \$13,000.

--Heard a report by the city manager who said the new library was being carpeted and the books in the old library would be moved into the new about Jan. 1.

He also told the council members, the radio gear for the fire station had been delayed and would arrive about Dec. 22 with a Jan. 1 occupancy of the new fire station, if the equipment can be installed.

--Approved an amendment to the West Valley Planning Agency Agreement.

Another objector said a service station would turn Euclid avenue into another Gary avenue and that Euclid as you entered Upland was one of the most beautiful streets in California. "We want it beautiful and not marred by gasolinites."

One of those present, Val Ogella, was disturbed because the council was not going to postpone the hearing for a longer period than 90 days. He also voiced the opinion that a public hearing should not be held at Monday night's meeting.

Mayor Gibson assured Ogella that a hearing with all people involved would be held in March and everyone given an opportunity to present his case.

In other business, the council approved the expenditure of up to \$400 for damage occurred by the Rudy Gracie family, 973 Sycamore, who have had the city sewer back up four times into their home.

Elwin Alder, city manager told the council the sewer line had been a problem for sometime and the city was working on a solution.

CHRISTMAS WREATHS - Framing their faces with the wreaths they made in first grade at Sycamore school are (seated) Kathy Fiedler, and Barry Nordquist. (Back row) Fred Parrieh, Tami Fiddelke, and Robin Adams.

**CHRISTMAS GIFTS** - Helping make Christmas brighter for others are members of FHA of Upland High School who made baby clothes to give to families in need. Shown are (seated) Kerstin Lewin, and Linda Fisher. (Standing) Donna Fisher, Mrs. Paul Harris, advisor, and Lois Sweet.

## Doing For Others Theme Of Group

The members of the Future Homemakers of America at Upland high school are busy again this month working on their December projects. Presently, they have finished sewing baby clothes for Santa Claus Inc. The cute and attractive little garments were on display at the Open House held at Santa Claus Inc. headquarters. The F.H.A.'ers provided and arranged decorations for the annual Christmas Party at Verdmont Boy's Ranch which is sponsored by San Bernardino County.

Four members of the club, Linda Fisher, president; Renee Fluekiger, secretary; Maureen Brown, historian; and Donna Fisher, reporter arranged the decorations and center-pieces at the Boy's Ranch Dinner and served dessert. The canned goods drive for the PTA Christmas Baskets is also under way by the F.H.A. members. This is another of the many projects in which they participate. Each year the girls have their own Progressive Christmas Dinner at

club members homes. This year the dinner will be held on Monday, Dec. 23 at the homes of Beverly Haase, Renee Fluekiger and Linda Fisher. After the party, the girls visit the convalescent homes of Upland and sing Christmas songs and carols for the elderly residents.

The faculty advisors for this active group are Mrs. Shirley White and Mrs. Jean Harris of the Homemaking Department at Upland high school.

## Cub Pack 643 Meets Tonight

Cub scout pack 643 will hold its next pack meeting tonight at Carnelian Elementary school, starting at 7:30 p.m. Den 3 will conduct the opening ceremony. The meeting will feature a uniform inspection of all the dens by a representative of the Commissioner's staff. Other features of tonight's meeting will include the gathering of food

staples for a needy family in the area and the decorating of a Christmas tree with decorations made by the cub scouts at their den meetings. On Saturday, Dec. 21 at 3 p.m., the cubs of pack 643 will present their decorated Christmas tree to the Alta Loma Manor retirement home and will entertain the folks who live there with Christmas carols.

## Births

The Donald E. Storys of 1728 Erin St., Upland, had a son born Nov. 7 at San Antonio Community Hospital who weighed 7 lbs. 5 oz. at birth and was named Donald Scott.

**'WAY UP** - Ron Gill of Alta Loma High School puts a Santa on a rooftop in preparation for Christmas. This is just one of the many different types of jobs Alta Loma High students are willing to do to earn extra money the year around. If you have a job a student can do, contact the school, or call 987-1297. There are always more students willing to work than there are jobs available.

## Home Decor Contest Ends On Saturday

The Home Decoration Contest for Cucamonga, Alta Loma and Etiwanda is still open according to Chuck Swan, chairman of the annual event.

Entries should be in the office of the Cucamonga District Chamber of Commerce, 8074 Archibald Ave., no later than December 21 in order to compete. All persons living in the Cucamonga, Alta Loma and Etiwanda area are eligible to enter the contest regardless of whether or not they own or rent their home. The contest has been divided into four equal

sections with four equal prizes. Judging will be based on the story or theme, general interest, lighting, animation and originality.

An official entry blank may be found on this page. Clip it and return to the Chamber of Commerce, or call the chamber number, 987-1012. Remember, December 21 is the deadline.

**Girl Van Fleet**  
Little Amy Elizabeth Van Fleet was born at San Antonio Community Hospital on Nov. 12 to the David H. Van Fleets of 1004 W. Granada Ct., Ontario. The baby weighed 8 lb. 10 oz. when born.

A CHRISTMAS TREE FARM? - These three and four year old youngsters from St. Mark's Episcopal school, enjoyed a visit to a nearby Christmas tree farm last week. As an added treat they saw live

reindeer, rabbits, ducks, geese, peacocks, a pony, a horse, a calf, and goats. It was a day to remember for the tots.

## Denmark Yule Theme For Meeting

Twelve members of the Foothill Area Council of Beta Sigma Phi recently journeyed to Palm Springs to the Mission California Council breakfast held in the Los Flores Room of the El Mirador Hilton Hotel.

Christmas in Denmark was the theme of the breakfast hosted by the Desert Cities Council of Beta Sigma Phi. Decorations from Denmark of mobiles with red elves and Danish ornaments hanging from them adorned the tables where members honored their mothers at this special breakfast. A special poem was read by Mrs. Harold Rascher, Mission California Council vice-president in honor of the mothers.

en by Mrs. John Allchin of Xi Iota Epsilon in Coachella. Entertainment was provided by Mrs. Ronnie Maxwell who sang Christmas Carols, Mr. Michael Cook accompanied her and played a solo.

The next breakfast will be held Jan. 26, 1969 in San Diego hosted by Preceptor Phi Chapter. Those members attending from the West End area were the Mmes. Woodruff De Silva, sponsor of Foothill Area Council; Robert Gorman, Bruce Johnson, Beta Alpha Theta; Charles Robar, Ray Walker, Paul Mahoney, Joe Combee, Peter Terzo, Epsilon Beta; Harry Brewer, Preceptor Upsilon; Robert Crum - packer, Gilbert Halter - man, Myrtle Wenger, mother and aunt of Mrs. Crumpacker of Rho Chi.

A Christmas program stressing peace will be the setting for the Upland Woman's Christian Temperance Union Meeting, to be held at the home of Mrs. Iva Marr, 170 10th ave., Upland, Dec. 20 from 1 to 3 p.m.

There will be group singing and Scripture readings... Cookies and fruit juice will be served.

**RENEWING VOWS** - Mr. and Mrs. Michael Morgan kneel during the renewal of their vows on their 25th wedding anniversary Nov. 27th. Officiating are the Rev. Michael Brooks, SS, CC., Damien High School, LaVerne, far left and the Rev. Francis Larkin, SS, CC., National Director, Enthronement of the Sacred Heart, Washington, D.C.

## Pair Renew Vows At Special Mass

Mr. and Mrs. Michael Morgan Jr. of 762 Tulare Way, Upland, renewed nuptial vows on their 25th wedding anniversary at an 8 a.m. Mass Nov. 27, in St. Joseph's Church.

More than 600 guests participated in the jubilee Mass honoring the Sacred Heart of Jesus, symbol of love for all mankind.

The anniversary couple, in lieu of a social event, chose to express their deep appreciation for their 25 years together, by giving thanks publicly to Christ, whose love and fidelity of His Father's will, gave them and other married couples the courage and challenge to follow.

A procession preceded the Mass, headed by the Concelebrants Rev. Francis Larkin SS, CC., National Director for the Enthronement of the Sacred Heart in the Home, whose headquarters is in Washington D. C.; Rev. Frank Keegan, Asst. Pastor of St. Joseph's and Rev. Michael Brooks SS, CC., of Damien High School, LaVerne.

The students of St. Joseph's school and the nine Presentation Nuns were among the guests participating, honoring the Sacred Heart of Jesus.

The ceremony began with the students' guitarist group leading the congregation, singing "The King of Glory Comes, the Nation Rejoices".

Mrs. Morgan moved toward the altar on the arm of her husband and slowly presented her bouquet of 25 miniature American beauty rosebuds at the foot of a three-foot image of Christ that was placed in the sanctuary for the special occasion.

For her renewal of nuptial vows, enhancing the loveliness of the occasion honoring the Sacred Heart of Jesus, Mrs. Morgan wore a princess wedding coat of delustered silver brocade over a white crepe sheath, by Miss Sherrelli of California. With this was worn an imported hand made mantilla with applied Belgium lace on silver chiffon.

Her niece, Betsy Dukes, age 11, attired in court red velvet with white lace accents, presented a miniature rosebud bouquet that was placed on the altar during the offertory.

During the Mass the couple was granted the special privilege of receiving Communion under both species.

Father Larkin commended the Morgans for

## Jill Jenkins Wed To Louis Penna Jr.

An afternoon, double ring ceremony in the San Dimas Community Church united in marriage Miss Jill J. Jenkins and Louis B. Penna Jr.

Stephanotis and carnations were used in the decor for the ceremony. The Rev. J. Murray Gay officiated.

The former Miss Jenkins, daughter of Mr. and Mrs. John J. Jenkins, 884 Azure ct., Upland, wore a Juliet-style gown of white velvet for her wedding to the son of Mr. and Mrs. Arthur Mott of Davenport, Iowa. A small cap held her shoulder length veil and she carried a cascade of stephanotis centered with an orchid. She was given in marriage by her father.

Miss Linda Lenain of San Dimas was maid of honor in an orange velvet gown. She carried a bouquet of baby orchids. Bridesmaids were Miss Rebecca Jenkins of Upland; Mrs. Barbara Jenkins of San Dimas and Mrs. Grace Glass of Glendora. All were gowned in green velvet and crepe and carried baby orchids. Ann Jenkins was flower girl.

James Kendall of Upland served the bride-groom as best man with

## Cub Scouts Given Awards

Upland Cub Scouts 608 recently held a pack meeting and presented awards to those Cubs who earned them. There were 19 awards made, 35 Bob Cat pins earned, and three Webelos given. Joe Sham, awards chairman, made the presentation.

Den five provided the entertainment for the evening with a laugh-in skit.

On Sunday, December 22, the Cubs will hold their annual Christmas caroling party, starting at 6:30 p.m. They will leave from Sierra Vista school on a truck of hay and will carol through the streets of Upland, and at some of the convalescent hospitals along the way. The group will return to Sierra Vista school for refreshments.

## Lani Waller Engagement Revealed

The engagement of Miss Arnette Leilani "Lani" Waller of Cucamonga and Michael John Yacksyzn of Victorville has been announced by her parents, Mr. and Mrs. Arnold A. Waller, 8219 London ave.

The prospective bridegroom is the son of Mr. and Mrs. John Yacksyzn of Las Vegas, Nev.

The engagement was announced at the NCO Club at March Air Force Base. The setting was a party given by Howard Carter, uncle of the bride-elect. Thirty guests attended.

The couple plan to be married in June of 1969 at the March AFB, chapel.

Miss Waller will graduate from Alta Loma high school in January of 1969. She is a sales clerk at the TG&Y in Cucamonga. Mr. Yacksyzn was graduated from Yamato high school in Tokyo, Japan in 1967. He was the Far East wrestling

**EDITOR'S NOTE**--The following letters to Santa Claus were written by members of the second grade class at Cabrillo School in Upland:

Dear Santa Claus, I want a big bag of gray clay and a voice Control-Kennedy Airport and a pantsuit. Remember when I saw you at MacDonids and I told you I would have a Santa Claus on the fireplace? Well, I might not, I tried my

best to be good.  
Love, Ransom

Dear Santa Claus, I would like a Bracelet and a purse and rings and things and high heel red shoes and a dress. I Love you very much and you gave our family presents and we Love you very much.

Love, Donna and family  
P.S. I am 7 years old.

Dear Santa Claus, I want an airblaster, a

## Letters To Santa

Zerak the zeroed, an Operatron, a Johnny Astro an Apollo 4 heat Shield. I wish you a Merry-Christmas Santa Claus and a Happy New Year Santa. I tried to be good this year Santa Claus.

Love Scott

Dear Santa Claus, I love you, Please I want some nice toys, I wish you a Merry Christmas. Tell Rudolph I love him too and Merry Christmas to all the other reindeer too.

Love Alfred

Dear Santa Claus, I love you, I'm going to leave you an apple and an orange. I want a snow machine and a puzzle and some clothes. I made a singing book and a Christmas trian and a paper chain and Frosty the Snow Man and we're making bells, stars, and trees. I want books and models and a dog and some fish.

Love Steve

Dear Santa Claus, Some people don't believe in you but if they don't believe in you, they don't believe in God. I believe in you because my mom and dad don't get up in the night and get presents and put them under the Christmas tree and I wish you a Merry Christmas. I love you. Are your helpers busy getting ready for the boys and girls? I think Christmas is when people should be happy and open their presents to have a Merry Christmas. I want a Susie Homemaker, please. I hope your reindeer are well and I want a bike because I ride my sister's and She gets mad at me.

Love Robin

Dear Santa Claus, I am going to leave you some milk and cookies. I hope you give me some football cards, a Hercutoid set, and a Batman

set. And a Green Bay Packers suit of Ray Nitchcy.

Love, Mike

Dear Santa Claus, Thank-you for the Easy bake-oven you gave me last year. It is fun at school. I like to make things at school, because we make things and last year I had to wait in the line at Sana's village and This year our family is going to a Christmas party and this year I want some books and Barbie n Stacy and their house and a book-shelf and a knitting set and some mixes for my Easy-bake oven, please.

Love, Linda

Dear Santa, I love you, I've been waiting for a real horse. Please may I have a horse because a horse is my favorite animal. I will give you sum candy and milk. And I will decorate the tree. I hope you like it. I will not let my father build a fire and with regards and a Merry Christmas,

Love, Lori

Dear Santa Claus, I want a bike because all the time when my friends want to ride their bikes I can't be - cause I don't have a bike and then I always have to

watch TV and I don't like to watch TV and then I don't have nothing to do, and thank you for my pop-gun and all the other toys you gave me most of all the toys I want is a bike please.

Love Dwayne

Dear Santa, You are very nice for giving toys to us. But I just don't like you for that. I like you for other things. I want a camera because I could take a picture of my friend.

"Let's talk dry cleaning"

By ELISE PITTENGER

Holiday occasions, with extra eating and drinking, often mean spots and stains on your better dresses, evening gowns and cocktail dresses, as well as on Dad's best suit. On delicate, fragile fabrics such stains can often be a special problem.

Food and drink stains of many kinds belong to the "tannin" family. Such stains are often colorless and don't show up until after they've "aged" a bit. Then they begin to turn brownish color. They'll also become visible when exposed to air or especially to heat.

We have special techniques for dealing with many such stains, which won't come out in regular cleaning. One technique is called "soil digestion." It uses the same principle our bodies use to digest food. A special "dye" is used to "digest" the stain prior to cleaning, without harming the fabric or its color. This has to be done at carefully controlled temperatures.

Such techniques are just one evidence of how much today's reliable dry cleaner has become a specialist. You can rely on our special knowledge, equipment and skills to give the glamour treatment to your garments... and do it safely! Remember... if your clothes aren't becoming to you, they should be coming to us!

## There Is Hope

Continued From Page 1

and using His name in prayer.

Wonderful is He also in His future for man. John recorded what the wise men saw as well as the shepherds, when he said, "the word was made flesh and dwelt among us and we beheld his glory, the glory as of the only begotten of the father, full of grace and truth." Yes, what a wonderful privilege those shepherds had, but John also wrote, "behold what manner of love the Father hath bestowed upon us, that we should be called the sons of God, therefore the world knoweth us not, because it knew him not. Beloved, now are we the sons of God and it doeth not yet appear what we shall be but we know that when he shall appear we shall be like him for we shall see him as he is. And every man that hath this hope in him purifieth himself even as he is pure."

Yes, we too, have hope even as did the shepherds as we celebrate Christ's birth.

For now the midnight of the world  
Has settled, dark and still  
And frightened hearts are crouching low  
Like shepherds on a hill.  
What mean the ancient carols now?  
Their glad and sweet refrain  
I lost amidst the scream of shells  
As men forget again.

And yet, in countless waiting hearts  
The light of faith still burns,  
Lord, send again a midnight song  
To say the Prince returns.

## Revolutionary Fine Arts Plan Slated At Chaffey Next Year

ALTA LOMA --- A course relating the fine arts to one another and in turn to the dynamics of society will be presented by Chaffey College for the first time in the spring semester.

The course will be staged in Chaffey's new Forum-in-the-Round, a facility designed for audio-visual demonstrations of subject content in a lecture format.

Programmed for 10-11:30 a.m. on Tuesdays and Thursdays will be such topics as war and the arts, religion and the arts, music and creativity, and opera and the cinema.

Delineated will be the affinity between various art forms as well as the social forces expressed

through a given medium. Demonstrated, for instance, will be the artist Goya's economy of line to depict violent action as compared to author Hemingway's discipline of language to describe the same subject. Each of them, preoccupied with man's bent for brutality, achieved total impact on his own time with the right stroke and the exact word.

The lecture series, propped by video panels and sound tracks, will be offered by a three-man team of the creative arts faculty. Going "on stage" with their specialties will be instructors Michael Alexander, theater; Jack Mason, music; and Robert Smith, visual arts.

Participation in the unique three-unit college transfer course, Fine Arts 20, involves no prerequisites. The class is open to any person from a college student to a housewife who might wish

to enroll here on a part-time basis. Registration for the next semester ends Jan. 29.

## Central Yule Program, Dec. 19 Collecting Goods For Needy

The Cucamonga Central School fifth grade students will present this year's Christmas program Thursday, Dec. 19 at 7:30 p.m. in the school cafeteria. The program will be under the direction of Miss Gore, and is entitled "What is an American Christmas?". The public is invited to

attend and enjoy the evening in the spirit of the holiday season.

Baby sitting will be available for all pre-school children, and refreshments will be served following the program.

Central School is having a canned goods drive, the week of Dec. 16 thru

Dec. 20, for the needy families of our community. The children bringing the donations will place them under the Christmas tree in the cafeteria, and they will be distributed the day before Christmas by the Community Welfare. Parents are urged to be generous in their dona-

tions for this most worthy cause.

Classroom Christmas parties will be held Friday, Dec. 20, and a minimum school day will be observed at that time.

**ALL SET TO BITE** - Winners of the membership drive for the Parent-Teachers Club of Cucamonga Elementary School, 46 children were treated to hamburgers at McDonald's Drive-In on Mountain

avenue in Ontario recently. The two classes gaining 100% membership were that of Mrs. Alma Ryder and Mrs. Elvera Escott.

# LEGAL ORDINANCE NO. 292

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF MONTCLAIR AMENDING SECTION 9-4, 1202 (a) OF ARTICLE 12, CHAPTER 4 OF TITLE 9 AND AMENDING SECTION 9-4, 1202 (a) OF ARTICLE 13, CHAPTER 4 OF TITLE 9 OF THE MONTCLAIR MUNICIPAL CODE TO PERMIT THE ON-SALE OF LIQUOR WITHIN A RESTAURANT OR CAFE LOCATED IN A RESTRICTED COMMERCIAL (C-2) ZONE SUBJECT TO THE APPROVAL OF A CONDITIONAL USE PERMIT, AND IN A GENERAL COMMERCIAL (C-3) ZONE

The City Council of the City of Montclair does ordain as follows:

SECTION 1: Amendment of Code. The following amendment is hereby added to Section 9-4, 1202 (a) of Article 12, Chapter 4 of Title 9 of the Montclair Municipal Code:

(20) restaurant and cafe (on-sale of liquor subject to the approval of a Conditional Use Permit).

SECTION 2: Amendment of Code. The following amendment is hereby added to Section 9-4, 1202 (a) of Article 13, Chapter 4 of Title 9 of the Montclair Municipal Code:

(22) restaurant and cafe (including the on-sale liquor)

SECTION 3: Amendment of Code. The following amendment is hereby added to Section 9-4, 1906 of Article 19 of Chapter 4 of Title 9 of the Montclair Municipal Code:

(o) restaurants and cafes in C-2 zones where on-sale liquor is dispensed.

SECTION 4: Validity. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such holding or holdings shall not affect the validity of the remaining portions of this ordinance. The Council hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases are declared invalid.

SECTION 5: Publication. The City Clerk shall cause this ordinance to be published in the Montclair Tribune at least once within fifteen (15) days after its passage.

Harold M. Hayes  
MAYOR OF THE CITY OF MONTCLAIR

## Nazarene Christmas Services

Two special Christmas services will be conducted Sunday, Dec. 22, at the Church of the Nazarene in Upland, according to Pastor Irving E. Sullivan.

A special Family Christmas worship will be conducted at 10:45 a.m. Pastor Sullivan's sermon is entitled, "What Christmas Means to Me." Also, a feature of this service will be the carol singing by the children.

At 7 p.m., a "Candle-light and Carol" service will be conducted with several musical selections being given.

Sunday school classes for all will be held at the usual hour, 9:45 a.m., when annual Christmas treats will be given.

The public is welcome to attend all these services.

## Brookside Vineyard Buys Firm

In a major expansion move, southern California's 136-year-old Brookside Vineyard Company has purchased Mills Winery, Sacramento, and its eleven retail sales cellars and tasting rooms in northern California's Alameda, Contra Costa, Sacramento, San Francisco, San Joaquin, and San Mateo counties.

Al Vasquez, host of Cucamonga's Brookside Winery, said that the acquisition will provide 28 locations throughout California where consumers can buy Brookside products direct from the winery.

The combined winery facilities will mean cooperation for aging 3,500,000 gallons and a fermenting capacity of 260,000 gallons.

Brookside, Assumption Abbey, and Vache wines from the southern California vintner's winery in the Guasti District have been exclusively available at its own community wineries from San Diego to Ventura; Mills and Mills Select brands were only sold at the Mills Wineries in six northern California counties. Now most California consumers will be offered a selection of the most popular wines from both winemaking areas, he said.

California consumers consume more than 43 million gallons of wine each year compared to second-place New York's 29 million. Adult Californians enjoy an average of about 4 gallons of wine per year overall per capita consumption is approximately 2.3 gallons in California.

#### Reusables

Add to the long list of paper items new ones for home decorating — table covers, draperies, cafe curtains and bed covers. All come from the design skill of three members of the American Institute of Interior Designers, who've founded a firm specializing in the "reusables". The three, Inman Cook, Darin Pierce and Frederick Davis, say they prefer the term "reusable" to disposable since the products can be whipped clean with a damp cloth and have a longer life than a throw away.

### Imperial Ave. Near Airport Ordered Closed

ONTARIO ---Imperial avenue, which crosses the west end of Ontario International Airport between State and Airport streets, has been temporarily closed to traffic, airport manager Robert M. Hamilton, Jr. announced today.

The road was immediately closed when Federal Aviation Authority officials indicated that traffic using the road to cross the airport might cause interference with aircraft instrument landing system installations located nearby. The closed portion lies entirely on airport property.

After FAA authorities have completed tests to determine the effect traffic has on the instrument landing system, a decision will be made whether to re-open the road. Meantime, Hamilton suggested Grove avenue, slightly west of Imperial, as the best alternate route.

**YOUTHFUL EXECUTIVE** Frank Denny, 34-year old West Covina resident, center above, being congratulated on his appointment as General Manager of Angels Home Improvement Centers by Mr. and Mrs. Sidney Kline, Founders of Angels. Denny assumes his new responsibilities immediately as head of California's fastest growing do-it-yourself home centers.

### Frank Denny Named General Manager of Angels

Frank Denny, 34-year old executive of Angels Home Improvement Centers, has been named General Manager of the Angels Company, according to an announcement from Sidney Kline, President.

The new general manager is a nine-year veteran of the fast growing El Monte based concern. He started with Angels in 1959 as a lumber department salesman. He advanced rapidly to department manager, and from there to lumber purchasing.

Last year he was named divisional head of purchasing and warehousing, and has since served as assistant general manager.

Under Denny's guidance the Angels Company has surged to the forefront of all California lumber and hardware retailers. Industry leaders have hailed him as one of the outstanding

lumber purchasing specialists on the West Coast, according to Kline.

A native of Teaneck, New Jersey, Denny learned retailing operating his own lumber business in that state. He and his wife Geraldine, and five children, Frank, Elizabeth, James, Timothy and Steven migrated to California in 1959 and now live in West Covina.

The new appointment is effective immediately, according to Kline, and Denny is now the operating head of Angels.

Kline, who was recently elected vice president is becoming a member of the Board of Directors of Daylin, Inc., a nationwide multi-management company, will continue as President with his major attention devoted to development of new Angels Home Improvement Centers in strategic California and West Coast sites and other duties within the Daylin organization.

### THE SAFETY SENTRY

#### Canned Danger

Chances are, you have the equivalent of several sticks of dynamite in your home and garage! Those tranquil aerosol spray cans can turn into a violent explosive when exposed to heat. Whether filled with insecticide or whipped cream, spray cans contain gas under pressure, so require special care. Sentry Insurance points out these precautions:

- Read and heed instructions printed on container.
- Do not store within reach of children or allow youngsters to playfully spray ingredients at friends.
- Never place aerosol cans where it's hot—in the car trunk, near stove or radiator, even in sun.
- Do not use sprays while smoking or near flame sources. For instance, in a bathroom near a water heater.
- Use spray paints, lacquers, insecticides and other toxic aerosols where there is good ventilation.

## Christmas Sweet

**Christmas Sweet**  
Who doesn't think of children  
When Christmas time is near.  
With gifts of toys and goodies  
The little tots we cheer.  
But when the fun is over  
And things all settle down;  
Where is the big-hearted tolerance  
You found all over town?

It seems to leave like Santa Claus  
And children again are brats!  
Their brawls and fights and troubles  
All sound like alley cats!  
But wouldn't it be lovely,  
Yes, wouldn't it be neat—  
If everyday throughout the year  
We all were—Christmas Sweet.

## AHG Starts Third Unit Of 32 Via Verde Homes

With less than 20 homes remaining to be sold in the first two units of 110 homes at American Housing Guild's golf course community at Via Verde, construction has started on the third unit of 32 homes, it was announced by Herbert L. Aist, executive vice president.

Aist noted that 29 of the 32 lots -- all 10,000 square feet or larger -- will overlook the Via Ver-

de Golf Course which will be ready for play in April, 1969. Prices in the third unit range from \$29,750 to \$38,900.

AHG will build a total of 750 homes at Via Verde, a 1,300-acre community master planned for 3,000 homes by Vinnell-Pauley, developers. It is located in the Kellogg Hills north of the San Bernardino Freeway between Covina and San Dimas.

AHG homes at Via Ver-

de have three, four and five bedrooms, in one and two-story plans. The five model homes on display offer 13 exterior elevations and 28 alternate plans totaling 41 design variations.

Prices for the homes remaining in the first two units are slightly lower than those in the third unit. All AHG homes at Via Verde are available on VA no down payment or FHA terms.

## Braves Runnersup In U-M Consolation Championship

Neither Montclair or Upland, hosts of the Montclair-Upland basketball tournament, finished the round-robin affair, as they were both eliminated in the second round of play. Only one of the Chaffey high school district representatives, Alta Loma managed to make it to the finals in one of the two consolation brackets.

In the first round of play Montclair defeated Azusa, 47-39, in what was supposed to resemble a basketball game at the Montclair high gym. The Cavaliers took a 9-7 edge into the second period and lead at halftime, 25-16. The Aztecs came storming back in the second half to close the gap and keep the contest tight until the last few minutes when the Cavaliers iced the game on sloppy ball-handling by the visitors.

On the following night the host Cavaliers took it on the chin from Corona, 62-46, and lost out in any further tournament action. Corona beat the home squad the week before, 53-50.

Upland did a more commendable job of trying to stay in the championship bracket. In their nightcap performance against Northview last Tuesday the Highlanders won go-

ing away, 61-44. The next night the Highlanders kept pace with Pomona most of the way but came out on the short end, 59-54.

The Braves, which has a strong team this year, lost their initial game of the tournament to Pomona, 73-70. The defeat relegated the Braves to the consolation bracket. Wednesday night Alta Loma easily disposed of Northview, 78-56 to gain the semi-finals against Duarte, last year's tournament champs.

Alta Loma showed their superiority in their encounter with Duarte by leading their opponents by 11 points at halftime and coasted to a 66-54 victory and a showdown with Azusa in the consolation championship round at Montclair high. However, the Aztecs were too much for the Braves in height and ability as they won 77-50.

Alta Loma's aggressiveness and overall hustle earned the Braves the award for hustle and sportsmanship in the tournament.

The Braves also gained the distinction of having one of its players, Bill Beckley selected to the tournament all-Star team. Beckley, a guard, was a stalwart on both

offense and defense for the Braves. Montclair and Upland went away empty-handed in the awards department.

ALTA LOMA GUARD - Joe Beckley (23) goes up to score one of his two field goals from the floor in a consolation game against Duarte in the M-U Tournament. The successful attempt made the score 56-50 in favor of the Braves. Final score was Alta Loma 66, Duarte 54.

## Montclair Grapplers Surprise Fontana

Montclair's hopes of having a successful wrestling season received a boost last Tuesday when the Cavalier grapplers travelled to Fontana and beat last year's Citrus Belt League co-champions, 31-25.

The prospects looked bleak for victory in the first five lightweight matches with Fontana grabbing an early 17-5 lead. But as the events progressed the Montclair position changed with Stan Combs turning the trick in the 157 pound class pinning his opponent in 1:48 minutes of the first period to give the visitors a 21 to 17 lead.

The margin was closed in the next match, 21-20, when 168 pound grappler Bill Masker lost by a 7-2 decision. Fontana then went ahead by a 25 to 21 margin in the 178 pound class when Bob Wike of Montclair was pinned by his opponent.

Senior letterman Tony Greer put his team in the lead to stay, 26-25, in the 194 pound match with a third period plan.

## Lack Of Love, Respect In Marriage Reasons For Divorce,---Teenagers

NEW YORK - Nearly seven out of ten teenagers in American high schools believe lack of love and respect in marriage is the most justifiable reason for divorce, a new survey conducted by Scholastic Research Center, the poll, involving in-depth questionnaires, was returned by a representative sampling of students from across the country.

In response to the question: "Under which conditions, if any, is a married couple justified in obtaining a divorce?" 66 percent of the students surveyed respond, "If they (the partners) do not love and respect each other."

Of the students polled, 58 percent believe adultery a justifiable reason for divorce. Forty-eight percent accept divorce "if there is no other solution to marital problems," and 40 percent think non-support a valid cause for divorce. Only 10 percent of the students completely reject divorce as the solution to an unhappy marriage.

Although a solid majority of the students participating in the survey believe divorce justified in a loveless marriage,

## L.A. To Attempt Fog Dissipation Idea At Airport

Aircraft will be able to operate in and out of Los Angeles International Airport when the runways normally would be closed by fog if an experimental fog dissipation program being considered by the Los Angeles Board of Airport Commissioners proves successful, according to Martin Pollard, commission president.

Pollard explained that the board will have before it at its next meeting a proposed \$80,000 contract with E. Bollay Associates, Inc. of Santa Barbara, Calif., which calls for dissipation of fog at Los Angeles International Airport by seeding the fog over the two main runways on the south side of the airport with minute moisture absorbing particles.

The various airlines using the airport have agreed to reimburse the Department of Airports for 90 percent of the cost of the program, the commission president pointed out.

The program would extend from next January through March, which generally is considered the most troublesome period for closure of the airport due to fog.

The fog seeding will be accomplished by one or more light aircraft to be based at Van Nuys Airport, and will concentrate on the peak period for airline departures, which is between 5 and 9 a.m.

A similar experimental program has been conducted successfully at Portland, Oregon; Sacramento, California; and Hyannis Port, Massachusetts. The seeding materials dissipate fog by condensing it and causing it to fall out as a light rain.

## SANTA CLAUS--AT HOME TO VISITORS

It's Christmas all year 'round in the tiny village of Santa Claus, nestled in the Southern Indiana hills on highways 162 and 245.

Proud picture-taking parents snap real treasures as their youngsters chat with Santa, who listens to every "wish" and "want."

The old Santa Claus Post Office was established in 1856, and still stands as "The House of Dolls." Here you will find a collection of more than 2,000 dolls ranging from life-size to some so small you must use a magnifying glass to detect their exquisite features.

A new, modern Post Office now handles the tons of mail postmarked "Santa Claus" that goes out every holiday season to delight children all over the world.

half indicate they favor entering such a marriage under certain conditions. Student response to the question: "For which reasons, if any, should a couple not in love get married?" was split between "under no circumstances" (50%), and "a child is expected" (45%). Social and financial advantage, physical attraction, respect, parental arrangement, and similar backgrounds are other

conditions cited as acceptable reasons for marriage without love. The present sampling of 2,539 high school students in public, private, and parochial schools represents all types and sizes of schools; numerical weighting of responding schools in direct relation to the distribution of schools within each state, assuring a cross-sectional representation by sex, age, and religion.

## Biafra's Starving Crisis To Be Related In Pomona, Dec. 27

**AIDS BAFIAN NURSES** - Mrs. Sherman A. Nagel assists Biafran nurses at the bedside of a patient in Northern Ngwa County Hospital, Biafra. Dr. and Mrs. Nagel returned to the United States after serving 22 years in West Africa--15 of which were in Nigeria with the last five in Biafra.

Every four days a city of 100,000 population will be wiped out by starvation. This is the condition that will prevail in the small west African country of Biafra by Christmas unless a cease-fire can be arranged between the warring Nigeria and its breakaway province of Biafra, according to Dr. Sherman A. Nagel, a Seventh-day Adventist missionary doctor.

Dr. Nagel, who is currently fulfilling speaking appointments in southern California, recently returned from Biafra where for the past four years he has been medical director of the Northern Ngwa County Hospital, operated by the Seventh-day Adventist church. He and his wife have served on the African continent as medical missionaries for 22 years, 15 of which were spent in West Nigeria.

Dr. Nagel will speak Dec. 27 at 7:30 p.m. at the Pomona Seventh-day Adventist, 3rd and Gordon.

### So. Counties' Gas Pays \$2 Million Plus In Taxes

Enough money to purchase 73 full-size school buses -- \$2,067,145 -- was paid recently (Dec. 10) by Southern Counties Gas Co. to taxing jurisdictions in this area as first installments on 1968-69 property taxes.

E. B. Kinne, Southern Counties' Eastern division manager, said his firm paid \$1,615,236 to Los Angeles County and its cities; \$311,460 to San Bernardino and its cities; and \$140,449 to Riverside County and its communities.

After second installments have been paid in April, the investor-owned utility's 1968-69 taxes will total \$3,158,395 for Los Angeles County and its communities; \$622,920 for San Bernardino County and its communities; and \$280,898 for Riverside County and its cities.

By an operating arrangement, the counties accept tax payments on behalf of most of their cities, and the amounts collected are then distributed among the cities and local taxing jurisdictions.

Throughout its service territory, Southern Counties Gas Co., a member utility of the Pacific Lighting System, paid \$3,985,717 to 10 counties and their communities as its first installment ad valorem taxes.

The gas company's total property taxes for the fiscal year will be \$7,899,175, Kinne added.

are dying each day," Dr. Nagel says. "Unless a drastic change comes about before Christmas, the death rate will climb to 25,000 a day."

### NOT TAKING SIDES

Dr. Nagel says he is not trying to take sides in the dispute between Nigeria and Biafra. "I am appealing as a humanitarian. I can't go on seeing people dying. I speak as a private individual. I don't speak for any organization. I've seen pregnant mothers—they're eating for two—down to 80 pounds when they should weigh 120. I've seen a year-old child who should weigh 20 pounds down to five."

What little relief there is available for the Biafrans is currently being flown in.

In the four years that Dr. Nagel was medical director of the small Seventh-day Adventist hospital, he did not see one military bomb casualty.

"It could have been by accident that all the casualties were civilian, but if so, then it was a strange accident. It looks to me

that there was a definite intent of actually cutting people down.

Recent reports say that Russian-built planes flown by Egyptian pilots are currently making indiscriminate bombing raids on the Biafran population.

Until replaced by the Red Cross relief team, Dr. Nagel was the only physician at the hospital. During this time, the staff of the 30-bed hospital had to care for 90 patients at a time. Medical cases increased from 50 to between 250 and 300 a day.

What can Americans do to help alleviate this situation? Dr. Nagel asks Americans to write to their congressmen urging them to press for a cease fire.

Will the Biafrans give up? "Not so," says Nagel. They are fighting with a tenacity rarely seen because they believe—rightly or wrongly—that genocide is planned for them.

"If we've got just a touch of feeling—just a little humanitarianism—how can we sit back in our comforts and not do anything? Not arms for Biafra—just a cease fire."

## Discharge Gen. Tel. Employee For Violation

General Telephone Company has announced that Jerry W. Finefrock, a company installer in Long Beach, was suspended from his position with the company on November 2, 1968 because it appeared that he had breached his obligation of loyalty to the company, violated the employees' code of business ethics and surreptitiously and under false pretenses obtained certain information from company sources.

The company's code of ethics for employees

reads, in part, as follows: "In traditionally placing the highest trust in the fundamental honesty and integrity of each member of the organization, the company in turn expects that each employee's conduct should at all times reflect favorably upon the company and every other employee."

"Serving the public

provides each of us with a great responsibility. Consequently, there can be no compromise in the requirement that any individual who violates the company's code of ethics is subject to disciplinary action and dismissal."

The company fully investigated the entire matter and has now concluded that dismissal is

justified.

The company's actions in suspending and finally dismissing Mr. Finefrock were not as a result of his appearance before the California Public Utilities Commission.

What is not acceptable to the company, however, is violation of our company's basic rules of conduct applicable to all employees.

## 40 Plus Or Minus Club Sets Dec. 31 New Year Dance

POMONA ---The Forty Plus or Minus Club is laying plans for the organization's New Year's Eve dance to be held Tuesday, Dec. 31 with music to be provided by Doug Thomas and his band.

The dance will be held from 9 p.m. to 1 a.m. and a buffet dinner will be served at 11 p.m.

Reservations must be made by contacting Walt Hamilton, president, at 624-7771.

Sponsored by the Pomona Recreation Dept., the single adult club meets the second and fourth Saturdays of each month.

Special events are planned for fifth Saturdays, such as trips to Los Angeles ballrooms, picnics and parties.

Further information may be had by calling Hamilton or Norma York at 595-4686.

### Snow Vehicles Popular

Snowmobiling is snowballing in popularity. The vehicles, known by various trade names, go almost anywhere. Michigan has 16 trails through photogenic state forests, and most other states have challenging trails for those who seek them.

## How to Select Christmas Toys

For parents and grandparents, much of the happiness of Christmas morning is the excitement of youngsters opening their gifts. The squeals of delight that accompany the unwrapping of each present are a rich reward for family Santas who spent hours selecting the just-right toy.

For the preschooler himself, the rewards go far beyond the holiday morning, for well-chosen toys help him learn while playing throughout the year.

To make sure that your child has an especially Merry Christmas—and playtools that give him a year-round creative environment for play—Playskool Research makes these suggestions for selecting toys:

—Choose toys in bright primary colors (red, blue, yellow, green), which are also pleasant to the touch and sight. Wood, for example, has "warmth," solid feel and texture that are satisfying to the preschooler.

—Toys should be portable enough to satisfy the child's insatiable desire to move and carry, but neither the toys themselves nor their parts should be so small that they defy a small hand to work them.

—Toys should be durably and soundly constructed so that they withstand a child's vigorous use. They should be safe, with well-

finished edges and non-toxic paints. —Youngsters like to see how a toy works, to satisfy their curiosity about what makes it go. If the toy is designed to be taken apart, it should be easy for the child to put it together again.

—Preschoolers need—and prefer—toys such as blocks, wagons, pounding benches, and disc stacks which can be "imagined into" many different play situations, rather than toys which merely recreate the adult world in miniature or toys which are electrically operated.

—The preschool child needs a variety of playtools. His toy "wardrobe" should encourage the development of all of his senses, permitting him to exercise his skills, muscles, emotions, and imagination. Parents can know best the kinds of toys their preschooler most enjoys by watching him at play. When shopping, Playskool Research advises, be sure that you are buying a toy which is suitable for the child's age and stage of development so that he is neither frustrated nor bored by it.

Wise family Santas can make Christmas morning a magical time for the preschooler and provide him with toys for constructive and creative playing-and-learning throughout the year.

## Clerk-Typists Needed By Army Women's Corps

Sergeant Robert Champoux, Army recruiter in Pomona, said today that young women from the eight Western states are responding enthusiastically to the Women's Army Corps' call for clerk-typists.

"The title, 'clerk-typist' in the Army may well be misleading," said Sergeant Champoux, since it is a great deal more than pen-pushing or typewriter-pounding. It offers a wealth of opportunity.

There are clerk-typists assigned to legal offices, hospitals, per-

sonnel sections, chapels, radio broadcasting studios and dozens of other functions. "They find themselves totally involved in the overall operation of these functions," Sergeant Champoux said, "learning the business" so to speak, and depending upon their progress and promise, may rise in rank and responsibility to key positions in the field of administration."

Sergeant Champoux urged young women with an eye on the future and a desire to find personal fulfillment in an important, satisfying job to see him this week. He may be contacted at 160 West Third St., Pomona.

### Clean Brushes

When a fast-drying latex paint has been used, clean your brush immediately with mild soap and water, followed by a thorough rinsing. A brush that has been used with an oil-base paint, enamel, or varnish can be properly cleaned with turpentine or mineral spirits if the paint has not dried in the brush. When shellac has been used, alcohol is the best cleaning agent.

## Good Fairies, Santa And All Due At Scripps

CLAREMONT—Good Fairies, Santa Claus, a candle - light caroling procession, a living Christmas tableau, a boar's head complete with apple, Mexican luminarios glittering from a roof, and a seven-foot high Byzantine cross are some of the ingredients of the Christmas festivities scheduled for Scripps College this month.

The Good Fairies are an old Scripps tradition where students draw names in their halls to see who will be whose Good Fairy. The Mother Fairy decorates the Fairy Child's room secretly and leaves little gifts scattered around. On Wed. Dec. 18, after the annual Hall Christmas parties, Santa Claus (a faculty member dressed accordingly) distributes a large present from the Mother Fairy to the Child Fairy. Each girl plays both roles to another girl -- one gives and one receives.

The candle-light caroling procession occurs after the Hall festivities on Dec. 18. Students, faculty, staff and their families each receive a lighted candle and join a long-procession which winds around campus singing carols until it reaches the surprise living Christmas tableau done by the Scripps Art Department.

## For And About Teenagers

**THE WEEK'S LETTER:** "I am 16 years old and I haven't been out with a girl yet. All my buddies date quite frequently and they think that there is something very peculiar about me just because I would rather hang around with the guys at the bowling alley than go out with girls. My buddies are always getting a hard time from their girlfriends. I don't think I should go through that kind of grief. So I think I should stay the way I am despite the pressure I get urging me to go out with girls. What do you think?"

**OUR REPLY:** We don't think that you should go out with girls just to please your buddies. We also think you are approaching the age when you should begin to show a healthy

interest in the opposite sex. You haven't seen any grief at all to match what would be yours one day if you suddenly realized that you were past middle-age and had done little in your lifetime but hang around a bowling alley with the boys. When your interests. Don't think you have to jump into the girl-dating bit in a big hurry. Just begin to look around you and you'll realize that girls aren't all grief. Far from it. And, buddy, you may be on a one-way street if you continue to stay with the bowling alley boys and exclude everything else.

If you have a teenage problem you want to discuss or an observation to make, address your letter to FOR AND ABOUT TEENAGERS, COMMUNITY AND SUBURBAN PRESS SERVICE, FRANKFORD, KY.

## Elem. Internships Open At Claremont Until January 1

CLAREMONT - Claremont Graduate School's new Office of Teacher Education is accepting applications through January 1, 1969 for its regular Elementary Internship Program, scheduled to start in February. This program prepares elementary school teachers

for both middle- and low-income neighborhood school positions. Regarded as the most direct route to a teaching post for the liberal arts graduate, the program involves attending a Practicum in the spring semester, extensive course work during the

summer and fulltime teaching in a self-contained classroom in the fall. Interns will receive the California Life Teaching Certificate in June 1970.

The Office of Teacher Education also announced that two other programs of teacher pre-

paration, the Secondary Internship Program and the Federal Internship Project, will be accepting applications through April 15, 1969. Both courses get under way in September 1969.

## TV At Scripps Sun. Dec. 22

When KNBC, Channel 4, airs "Malcolm Boyd at Scripps" on its "On Campus" program Sunday, Dec. 22 at 12:30 p.m., viewers will have an opportunity to hear a fascinating discussion of contemporary problems.

Boyd, well-known Episcopal priest - author, Robert Hamerton-Kelly, Assistant Professor of Religion at Scripps College; and seven Scripps students cover problems of student unrest and moral change, with Boyd expressing thoughts such as "...to hell with effectiveness, to hell with public relations; it's honesty that counts -- just honesty."

The author of "Are You Running With Me, Jesus?" a collection of contemporary prayers, and several other volumes, Boyd travels all over the U.S. visiting colleges and universities as an Episcopal Chaplain. Before becoming an Episcopal priest, Boyd was a successful television producer. He has been active in the New Left movement and was one of the first to go on the Civil Rights marches in the South.

Hamerton - Kelly, an ordained Methodist Minister, joined the Scripps faculty in 1965. A native of Cape Town, South Africa, he is a member of the Institute for Antiquity and Christianity at the Claremont Graduate School and the author of numerous articles and reviews.

Bob Wright hosts the 30 - minute color program.

According to the American Cancer Society, lung cancer, although still striking men most frequently, is increasing among women.

## SCE First Half Tax Payment \$23 Million

One of Los Angeles County's largest taxpayers, Southern California Edison Company paid \$23,139,105.31 as the first installment of its local property taxes for 1968-69.

At the same time, the company made direct payments to the cities of Long Beach and Pasadena bringing today's total Los Angeles County payments to \$23,418,569.

When Edison's final installment is paid on April 10, the company will have paid a total of \$34,036,742.04 in ad valorem taxes in Los Angeles County alone this year.

As in years past, about half of this money will go directly to the support of public schools in Los Angeles County, according to V. F. Martin, Edison district manager.

He said the grand total of Edison's 1968-69 property tax payments in 15 counties will amount to a record \$69,737,368.84. The first installment alone comes to \$41,268,883.85.

Taxes of all types continue as the largest single item of expense to the company. This means that about 20 cents out of every dollar Edison customers pay on their electric service bills goes to the tax collector at various levels of government, he said.

## Tips On How To Inform Your Teenagers About Cigarettes

There's always something a bit pathetic and at the same time amusing when I see teenagers puffing away on cigarettes in their awkward adolescent manner. It's even more pathetic when I see boys - and girls - only in their pre-teens smoking. It makes you wonder if they realize the damage they are doing to their developing bodies.

Driving by a valley school recently gave me much cause for alarm when I observed a group of youngsters not more than ten or eleven years old. They were all smoking - or trying to smoke - cigarettes. My first reaction was to laugh because they looked so absurd! Then I became concerned as I thought of the immeasurable damage they were deliberately forcing on themselves.

### PACK A DAY

Checking up on statistics for my personal use, I was shocked to learn that it was not uncommon for many junior high school students to smoke as much as a pack a day! Some of their ridiculous reasons for smoking were "my best friends smoke," "my parents smoke," and "it makes me look more grownup." Girls said they felt "more attractive and sophisticated."

What will happen when these students reach their middle years? If they continue smoking, they'll have more chances of developing ulcers, chronic bronchitis, hypertension, cardio-vascular diseases and emphysema. There's also a greater chance of dying from cancer, heart attack or stroke.

You can change your child's attitudes, beliefs and behavior only if you give him good reasons why they should be changed. Your teenager believes smoking is the adult thing to do. They grow up seeing billboards, reading magazine ads, hearing television commercials on cigarette smoking. The advertising certainly makes it appear that being a smoker was the most "in" thing to be.

The smiling, goodlooking people in the ads all seem, to the teenager, to give the same message: Smoking can make you a person who is "big," one-of-the-gang, adventuresome, attractive and popular. Who wouldn't want to be big, one-of-the-gang, adventuresome, attractive and popular? These are all great things to be but we adults know that smoking does not give one these qualities. But it's easy for a teenager to believe that a simple act like smoking could help him attain them.

Many children grow up believing that message. No wonder it becomes a rude awakening for them to believe completely that smoking is a dangerous, disease-producing habit.

To have your child quit smoking and successfully eliminate the habit, you must help him face the facts squarely.

Ask him what is so adult about dragging tar, nicotine, hot air and harsh chemicals down into his lungs? Chances are he won't have a good answer!

### FORGET SMOKING

to be an athlete, he'd better forget about smoking.

The best time to start the "man to man" teaching about smoking may be about the seventh grade. When you learn that your child has been smoking, try not to make too big an issue of it. Firmly discourage it yet don't make him feel guilty. At each time when you know your child has been investigating smoking, again tell him of its dangers. Tell him he won't have to wait 10, 15 or 20 years for the bad effects to take over. Some are early - right now - like coughing, shortness of breath, loss of appetite and weight, weakening of taste, general sluggishness and reduced stamina for swimming, tennis, football -- all athletics.

### DIG UP FACTS

Two or three sessions with your child may do the trick. You have to

go slowly. Hunt up your facts. Your local Heart Association has excellent material on this subject. Sit down with the child and talk over the facts. Listen. Respect feelings and beliefs. Be patient when he doesn't want to listen or may not agree with you. If you try to ram facts down his throat you'll come up with strong resistance.

Incidentally, a study comparing cigarette smoking among the nation's youth showed that the habit is more extensive in California youth, both male and female.

Another interesting sidelight is that teenage non-smokers had a higher average IQ than students who smoke cigarettes, and that the light smokers performed better than the heavy smokers. Mean grade achievement was substantially higher for the non-smokers and light smokers than for the heavy ones. The differences were particularly striking among boys.

### TO GAIN ACCEPTANCE

Children who fail to achieve a satisfactory measure of academic performance may conceivably find the practice of smoking their way of gaining acceptance in a peer group whose values differ from those of the academically more successful student.

There's also an interesting correlation between smoking and leisure time pursuits. Students who smoke spend a greater amount of time watching TV and less time reading books than students who do not smoke. Their friends are usually smokers; they go to more movies and dances and a good percentage are car owners. On the other hand, they participate less in sports and are less inclined to join organizations and clubs.

## Pageant Wagon For Holidays At CMC 3 Days

Tiny Tim, Scrooge, Marley, the Cratchits and the ghosts of Christmases past, present and future will climb aboard a pageant wagon Dec. 17, 18 and 19.

In fact, all the characters of Dickens' beloved and famous "Christmas Carol" will be present, portrayed by members of the Four Colleges Players of Claremont Men's, Harvey Mudd, Pitzer and Scripps Colleges.

Annually the Four Colleges Players, in the custom of Old England, present a Christmas play on a pageant wagon which

roams the community, literally bringing the performance to the audiences. This year they will give seven performances. On Dec. 17 at 11 a.m., they will be on the Scripps campus; at 3:30 p.m. at Memorial Park in Claremont; and at 7:30 p.m. at CMC. Dec. 18 at 1:30 p.m. they will give "Christmas Carol" before Pilgrim Place residents. Dec. 19 they will perform in front of Little Bridges Hall at Pomona College at 11 a.m., at the Honnold Library North Quad-rangle at 3 p.m. and at the Chino Prison at 7 p.m.

## Time To Spare

### An Organization Called SIR

If you're fed up with sitting around trying to use up retirement leisure, here's an interesting idea. It came from California, where a group of retirees decided to band together to make their new and unfamiliar lives more worthwhile.

They formed an organization based on the premise that every member has something to offer, and something to gain from his colleagues. Its name—SIR in Retirement, which collapses nicely into the monosyllable—SIR.

The idea is to put talent to work. For instance, a professor who has taught literary courses may be invited to direct a SIR reading program. Or an amateur naturalist may take groups on bird-watching jaunts.

But it isn't all that highfalutin. Sports are prominent, sometimes far short of the pro-

level. Prerequisites are interest and energy.

Most important, from the standpoint of those of us who are scattered around the country, is that SIR's formula is easily duplicated. A chain now exists, and more links can be added.

Here are a few special features:

Religion and politics are two fields not represented in the activities of the club, although both may be pursued by members outside the club. There are no dues—voluntary contributions cover operating costs.

Otherwise, you could probably guess the provisions, which are standard for most clubs. Elected officers are in charge of activities, which other members vote on before decisions are made. There's a weekly calendar of events, and a weekly lunch where members can get together on a convivial basis.

## Save Water

The current threat of water shortages and with the possibility of permanent water shortages in the future, it is important to acquire good habits of water usage. A few to keep in mind are: Check faucets for dripping (which can waste four gallons a day). Keep drinking water in refrigerator (two to three gallons can be wasted running to cool the water). Don't let water run while rinsing dishes (10 to 15 gallons can go down the drain this way.)

## Roy G. Deckers Attend Nat'l. S & L Meeting

Mr. and Mrs. Roy G. Decker of 388 Adams street have returned from a 21-day trip to the east coast. After spending three days in Nassau, they attended the 76th Annual Convention of the U. S. Savings and Loan League in Miami Beach.

Highlights of the convention were talks by News Commentator Walter Cronkite, Senator Everett Dirksen, Andrew F. Brimmer, Governor of the Federal Reserve Board, and John Horne, chairman of the Federal Home Loan Bank Board. Decker is senior vice president of Pomona First Federal Savings and Loan Association.

## Christmas Really Date Of Christ's Birth? Question

Is Christmas really the date of Christ's birth? Scholars don't know. For more than 300 years Christians observed His birthday on varying dates. Around the middle of the fourth century A.D. Bishop Liberius and the Christians of Rome began to celebrate His birthday on December 25. World Book Encyclopedia says Liberius probably adopted this date because people already observed it as the Feast of Saturn, celebrating the birthday of the sun. Christians honored Christ, instead of Saturn, as the Light of the World. The Christians of Egypt celebrated Christmas on January 6, and many members of the Eastern Orthodox Church still observe this date.

## Melodyland Set For Jan., 1969

Jimmy Durante and Juliet Prowse are just two of the attractions already lined up for the month of January at Melodyland to kick off its new Winter Celebrity Series.

The New Year's entertainment begins Jan. 3, 4 and 5 with Lou Rawls and Duke Ellington and his orchestra. This "Soul Happening" will be seen in five performances over the three-day period: that Friday at 8:30, Saturday at 7 and 10 and Sunday, Jan. 5, at 5 and 8:30 p.m.

That singing, swinging family, "The Cowbells," will make its Southern California concert debut at Melodyland one night only, Saturday, Jan. 11, for two performances at 7 and 10 p.m. Following "The Cowbells" will be the exciting "Juliet Prowse Show" opening Tuesday, Jan. 14.

and playing through Sunday, Jan. 19, with "The Jimmy Durante Show," coming in for a week Jan. 21-26.

Guest stars with Miss Prowse and Durante, as well as February and March attractions on the new celebrity series, will be announced shortly.

Next at the Anaheim showplace is the pop-opera singer, Rouvaun, and comedian Sammy Shore Dec. 21, with "The Johnny Mathis Show" set to sing out 1968, opening a week's engagement Dec. 26 and playing through New Year's Eve.

### WIGGLING BRAKE PEDALS

Car brake pedals that wiggle too much need servicing, advises the National Automobile Club.

Pesticides should only be used when really needed. Always read labels carefully. Spray away from food items, avoid inhaling. To prevent eye injuries, aim carefully before depressing valve on cans containing hair sprays, deodorants, suntan lotion. Otherwise, always point away from face and body. Before discarding spray cans, depress valve to exhaust all pressure. Never puncture nor attempt to burn cans in a furnace, incinerator, or trash fire. Seemingly empty cans still contain some gas which expands rapidly when heated. Place in receptacle for pick-up by disposal agency.

KAISER STEEL'S DECEMBER AWARD WINNER- Pictured are George Solters and his wife, Sue, who live in Upland.

## Upland Man's Suggestion Wins Prizes

George Solters, 669 N. Laurel ave., Upland, won a dryer and dishwasher in Kaiser Steel's December Idea Proposal Award Drawing held at the Fontana plant.

Solters, a rougher operator, Merchant-Skelp Mill, was among 80 employees who qualified for the drawing by having their cost-saving ideas approved for installation during the month of November.

The idea proposal award encourages hourly employees to submit ideas for reducing areas of high cost in plant operations. Savings are shared among all employees through the Kaiser Steel-United Steel workers Long Range Sharing Plan. To be eligible for the award, idea submitters must be bargaining unit employees at the Fontana plant.

The award winner qualified for the drawing by suggesting a change in the drilling depth which allows for greasing on roller shafts on the Former Rolls on No. 7 Stand in the Merchant Mill. The problem was that the shafts had to be drilled more than 14 inches, which took considerable time and caused drilling problems. Solters' idea was to drill only four inches since the Former Rolls are mounted in a vertical position and the grease from the top bushing will flow to the bottom bushing because of the parting between the shaft and the bushing.

Solters has been an employee at Kaiser Steel 23 years, all of which has been in the Merchant-Skelp Mill. He is a member of the United Steelworkers of America Production and Maintenance Local 2869.

## Federal Training Programs Underway

SAN FRANCISCO, Nov. 25: The U.S. Departments of Labor and Health, Education and Welfare today announced approval of four skill training programs in three California cities for 720 hard-core disadvantaged men and women.

Largest of the projects announced today provides \$2,261,315 to the Community Skill Center at Gardena for the training of 590 persons in a variety of occupations ranging from nurse aides to truck mechanics. The training period will vary

with the occupation.

The other projects include:

Ontario, 70 persons to be trained in various occupations by Chaffey Junior College at a cost of \$212,163 including a federal share of \$203,715. San Bernardino Valley College will train 20 air conditioner mechanical helpers for 26 weeks at a cost of \$45,765 including a federal share of \$43,515. The college also will offer training in various occupations for 40 workers at a total cost of \$118,773 including a federal share of \$113,916.

## If You Didn't Get Auto Renewal Notice, It Might Be Your Fault

Up to half a million California vehicle owners will find that the 1969 registration renewal notices they received from the Department of Motor Vehicles are incorrect.

Most will get automatic corrections by December 31, but many won't until they do something about their own records.

Manager L. Roy Stokes of the Upland office offers this explanation: "It takes a month to stuff 12 million renewal notices into envelopes at DMV's Sacramento headquarters - even when it's done by machine. DMV started its annual chore of printing the cards and putting them in envelopes on November 1 and continued the work through almost all of last month.

"Reports of vehicles bought or sold, and name and address changes, which arrived during this time were set aside for completion during De-

cember. Corrections are now being processed, and persons who received cards showing pre-November information may expect corrected cards in the mail by the end of December.

However, Stokes cautioned that thousands of incorrectly addressed renewal cards are posted to persons who didn't notify DMV or the Post Office Department when they moved. Unless they remedy this oversight themselves they may get no renewal card at all. They still have to register their vehicles by February 4, 1969.

Stokes' word of advice to all vehicle owners: "If you haven't received a 1969 renewal notice from DMV by January 15, 1969 wait no longer. Take last year's registration card to your local office and tell the clerk at the window that something's wrong."

## Allan S. Barr At Bankers Meet

Allan S. Barr, president of the First National Bank of Upland, attended the 4th Annual Bank Presidents Seminar at the Santa Barbara Biltmore Hotel from December 1-3.

The seminar is sponsored by the California Bankers Association. Featured speakers included Sen. John G. Tower of Texas; Dr. Walter W. Heller, regents' professor of economics at the University of Minnesota; and Dr. Paul S. Nadler, associate professor of economics at the University of Minnesota; and Dr. Paul S. Nadler, associate professor of finance at New York University.

## Third Party Plan Adopted By Chaffey In Negotiating

ALTA LOMA-A policy of enlisting a third party in negotiation procedures was adopted Tuesday by the Chaffey College board of trustees.

The policy was recommended by the Faculty Senate as a means of averting impasse between the board and the senate through third-party fact-finding and mediation action.

It was stipulated that the choice of an outside party be agreeable to both board and senate.

The proposed policy, presented by senate chairman John W. Blair, emphasized that such "procedures would make more formal impasse-resolving methods unnecessary."

The board adopted the policy subject to review by the office of the county counsel. Key procedures in the policy are:

--Investigation by a third party agreeable to both parties to discover the issues and factual foundations of points of disagreement. The recommendations are not binding but may be made public.

--Calling in a "third party agreeable to both parties to assist in reaching a voluntary agreement."

The proposal stated

that either of the college bodies could initiate fact-finding and mediation procedures to maintain mutual understanding and open communication.

The senate recommendation indicated that the final decision on a course of action would rest with the board of trustees, "based upon the facts presented."

The board took steps to implement the cost of a business education 1969-70. It approved an 8-mill tax levy to provide the district matching funds for the estimated \$73,264.42 required for new classrooms, academic offices and related facilities.

The district share of the cost of the business education expansion authorized by the Board of Governors of the California Community Colleges would be approximately \$38,000.

"This tax levy will be offset by an 8-mill reduction in the bond interest and redemption tax," said Dr. Harry D. Wiser, president of the college.

The board action marked the beginning of a state and district partnership in college development under the Junior College Construction Act of 1967.

A county-wide search begins this week for a qualified beauty who will reign over the two-day rodeo festivities held during the final weekend of the 54th National Orange Show in San Bernardino, March 6-16.

## Retired Air Officers Sought As Instructors

Retired Air Force officers and noncommissioned officers are now being sought to fill instructor positions in the rapidly expanding Air Force Junior Reserve Officers Training Corps, the personnel section of Norton Air Force Base announces.

The Junior ROTC program, conducted now at 112 high schools throughout the United States, is designed to enable the student to become a better informed citizen on the challenges and opportunities of aerospace.

Officers usually teach the classroom portion of the curriculum, with subjects ranging from the history of flight to aerodynamics and space travel. NCOs teach selected portions of the curriculum and instruct cadets on military customs and courtesies.

Requirements state the applicant must be retired from the Air Force with at least 20 or more years of active service, should be under 62 years of age, present an excellent military image, and possess a strong desire to be a teacher. Retired officers must possess a college degree, while NCOs must have the minimum of a high school diploma.

Candidates for these positions should make application before Decem-

ber 31, in order to be eligible for the September, 1969 openings.

Further information is available to interested persons who write AF-ROTC (ARTO-J), Maxwell AFB, Ala. 36112.

## Dye Wrappings

Save ordinary wrapping cord, and when dyeing garments or curtains throw in a small bunch of this cord and dye it also. When dry, wind the cord on spools. This gives you a good colorful assortment of cord to use throughout the year to the gift wrapped packages for birthdays, anniversaries, Christmas, Easter or any occasion that comes up.
